33 CFR Part 100

[Docket No. USCG-2011-0106]

RIN 1625-AA08

Special Local Regulations; Recurring Marine Events in the
Fifth Coast Guard District

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is revising the list of special local regulations established for recurring marine events at various locations within the geographic boundary of the Fifth Coast Guard District. This rule revises 33 CFR 100.501 by adding 6 new annual recurring marine events and modifying event date(s) for 12 previously established locations within the geographic boundary of the Fifth Coast Guard District. This rule also deletes 4 previously listed marine events and corresponding regulated areas that no longer occur. These regulations will apply to all events listed in the table attached to the regulation, and include events such as regattas, power boat races and marine parades. Special local regulations are established to provide for the safety of life on navigable waters during

these events, reduce the Coast Guard's administrative workload and expedite public notification of events. Entry into or movement within these proposed regulated areas during the enforcement periods is prohibited without approval of the appropriate Captain of the Port.

DATES: This rule is effective [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

ADDRESSES: Comments and material received from the public, as well as documents mentioned in this preamble as being available in the docket, are part of docket USCG-2011-0106 and are available online by going to <http://www.regulations.gov>, inserting USCG-2011-0106 in the "Keyword" box, and then clicking "Search." This material is also available for inspection or copying at the Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or e-mail Dennis Sens, Prevention Division, Fifth Coast Guard District; telephone 757-398-6204, e-mail Dennis.M.Sens@uscg.mil. SUPPLEMENTARY INFORMATION:

Regulatory Information

On October 12, 2011, we published a notice of proposed rulemaking (NPRM) entitled "Special Local Regulations; Recurring Marine Events in the Fifth Coast Guard District" in the Federal Register (76 FR 63239). We received no comments on the proposed rule.

Basis and Purpose

The Coast Guard is revising the list of permanent special local regulations at 33 CFR 100.501, established for recurring marine events at various locations within the geographic boundary of the Fifth Coast Guard District. The Fifth Coast Guard District is comprised of the land areas and U.S. navigable waters adjacent to North Carolina, Virginia, District of Columbia, Maryland, Delaware and portions of Pennsylvania and New Jersey. For a detailed description of the geographical area of the district and each Coast Guard Sector - Captain of the Port Zone, please see 33 CFR 3.25.

The Coast Guard is revising the list of special local regulations at 33 CFR 100.501, established for various marine events, by adding 6 new annual recurring events and modifying 12 previously established locations within the geographic boundary of the Fifth Coast Guard District. This rule also deletes 4 previously listed marine events and

corresponding regulated areas that are no longer occurring. The special local regulated areas removed from this section include: Night in Venice, Ocean City, NJ; Baltimore County Community Waterfront Festival, Martin Lagoon, MD; Annapolis Triathlon Swim, Spa Creek, Severn River, MD; and Virginia state hydroplane championships, Western Branch, Elizabeth River, VA. Currently there are 57 special local regulations that are established and enforced at various periods throughout the year that are held on an annual basis. This rule will increase the total number of special local regulations to 59 locations for marine events within the boundary of the Fifth Coast Guard District. The table to 33 CFR 100.501 is renumbered within each section to facilitate future changes.

The Coast Guard is revising regulations at 33 CFR 100.501 by adding 6 new marine event locations to the permanent special local regulations listed in this section. The new special local regulations are listed in the following table, including reference by section as printed in the Table to § 100.501.

#	Table to § 100.501 section	Location
1.	a.3	Big Timber Creek, Westville, NJ
2.	a.4	North Atlantic Ocean, Atlantic City, NJ
3.	b.5	Chester River, Chestertown, MD
4.	b.14	Patapsco River, Northwest Harbor, Baltimore, MD
5.	b.19	Patuxent River, Solomons, MD

6.	c.23	Mattaponi River, Wakema, VA
----	------	-----------------------------

The Coast Guard is revising regulations at 33 CFR 100.501 by modifying 12 existing regulated areas. This revision involves changes to the event date(s) only. The revised special local regulations are listed in the following table, including reference by section as printed in the Table to § 100.501.

#	Table to § 100.501 section	Location	Revision
1.	b.1	Severn River, Annapolis MD	Event date
2.	b.7	Severn River, Annapolis, MD	Event date
3.	b.9	Chester River, near Chestertown, MD	Event date
4.	b.11	Prospect Bay, Kent Narrows, MD	Event date
5.	b.13	Patapsco River, Baltimore, MD	Event date
6.	b.16	Choptank River, Cambridge, MD	Event date
7.	c.1	Western Branch, Elizabeth River, Portsmouth, VA	Event date
8.	c.6	Elizabeth River, Norfolk, VA	Event date
9.	c.7	North Atlantic Ocean, Ocean City, MD	Event date
10.	d.1	Pasquotank River, Elizabeth City, NC	Event date
11.	d.3	Bogue Sound, Morehead City, NC	Event date
12.	d.4	Wrightsville Channel, Wilmington, NC	Event date

This regulation currently includes events such as sailing regattas, power boat races, swim races, holiday parades, crew and other paddle craft races. Currently, there are 57 annual recurring marine events and many other non-recurring events within the Fifth Coast Guard District.

In the past, the Coast Guard regulated these events by creating individual special local regulations on a case by case basis. Most of these events required only the establishment of a regulated area and assignment of a patrol commander to ensure safety. Issuing individual, annual special local regulations has created a significant administrative burden on the Coast Guard.

Additionally, for the majority of these events, the Coast Guard does not receive notification of the event, or important details of the event are not finalized by event organizers, with sufficient time to publish a notice of proposed rulemaking and final rule before the event date. The Coast Guard must therefore create temporary final rules that sometimes are completed only days before the event. This results in delayed notification to the public, potentially placing the public and event participants at risk.

This rule will significantly relieve the administrative burden on the Coast Guard, and at the same time allow the sponsor of the event and the Coast Guard to notify the public of these events in a timely manner. The public would be provided with notice of events through the table attached to this regulation. This table lists each recurring marine event that may be regulated by the Coast Guard, and indicates the sponsor, as well as the date(s) and location

of the event. Because the dates and locations of these events may change slightly from year to year, the specific information on each event, including the exact dates, specific areas, and description of the regulated area, would be provided to the public through a Local Notice to Mariners published before the event, as well as through Broadcast Notice to Mariners. This table would also be updated by the Coast Guard periodically to add new recurring events, remove events that no longer occur, and update listed events to ensure accurate information is provided.

Based on the nature of marine events, large number of participants and spectators, and the event locations, the Coast Guard has determined that the events listed in this rule could pose a risk to participants or waterway users if normal vessel traffic were to interfere with the event. Possible hazards include risks of participant injury or death resulting from near or actual contact with non-participant vessels traversing through the regulated areas. In order to protect the safety of all waterway users including event participants and spectators, this rule would establish special local regulations for the time and location of each marine event.

This prevents vessels from entering, transiting, mooring or anchoring within areas specifically designated as regulated areas during the periods of enforcement unless

authorized by the Captain of the Port, or designated Coast Guard Patrol Commander. The designated "Patrol Commander" includes Coast Guard commissioned, warrant, or petty officer who has been designated by the Captain of the Port to act on their behalf. On-scene patrol commander may be augmented by local, State or Federal officials authorized to act in support of the Coast Guard.

Discussion of Comments and Changes

The Coast Guard did not receive comments in response to the notice of proposed rulemaking (NPRM) published in the Federal Register. Accordingly, the Coast Guard is revising the special local regulations as outlined in this rulemaking and listed in the table to § 100.501.

Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Executive Order 12866 or under

section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under that those Orders.

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation is unnecessary. The effect of this action merely establishes the dates on which the existing regulations would be enforced and consolidates them within one regulation. It would not impose any additional restrictions on vessel traffic.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in the areas where marine events are being held. This regulation will not have a significant impact on

a substantial number of small entities because it will only be enforced on marine events that have been permitted by the Coast Guard Captain of the Port. The Captain of the Port will ensure that small entities are able to operate in the areas where events are occurring. Additionally, in most cases, vessels will be able to safely transit around the regulated area at all times, and, with the permission of the Patrol Commander, vessels may transit through the regulated area.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), in the NPRM we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not

retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not cause a taking of private property

or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined

that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies. This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this rule under Department of Homeland

Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have concluded this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2-1, paragraph (34)(h.), of the Instruction. This rule involves implementation of regulations within 33 CFR Part 100 that apply to organized marine events on the navigable waters of the United States that may have potential for negative impact on the safety or other interest of waterway users and shore side activities in the event area. The category of water activities includes but is not limited to sail boat regattas, boat parades, power boat racing, swimming events, crew racing, and sail board racing. Under figure 2-1, paragraph (34)(h.), of the Instruction, an environmental analysis checklist and a categorical exclusion determination are not required for this rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100--SAFETY OF LIFE ON NAVIGABLE WATERS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

2. Revise section 100.501 to read as follows:

§ 100.501 Special Local Regulations; Marine Events in the Fifth Coast Guard District.

The following regulations apply to the marine events listed in the Table to § 100.501. These regulations will be effective annually, for the duration of each event listed in the Table to § 100.501. Annual notice of the exact dates and times of the effective period of the regulation with respect to each event, the geographical area, and details concerning the nature of the event and the number of participants and type(s) of vessels involved will be published in Local Notices to Mariners and via Broadcast Notice to Mariners over VHF-FM marine band radio.

(a) Definitions. The following definitions apply to this section:

(1) Coast Guard Patrol Commander. A Patrol Commander is a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the respective Coast Guard Sector - Captain of the Port to enforce these regulations.

(2) Official Patrol means any vessel assigned or approved by the respective Captain of the Port with a

commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) Spectators. All persons and vessels not registered with the event sponsor as participants or official patrol vessels.

(b) Event Patrol. The Coast Guard may assign an event patrol, as described in § 100.40 of this part, to each regulated event listed in the table. Additionally, a Patrol Commander may be assigned to oversee the patrol. The event patrol and Patrol Commander may be contacted on VHF-FM Channel 16.

(c) Special local regulations. (1) The Coast Guard Patrol Commander may forbid and control the movement of all vessels in the regulated area(s). When hailed or signaled by an official patrol vessel, a vessel in these areas shall immediately comply with the directions given. Failure to do so may result in expulsion from the area, citation for failure to comply, or both.

(2) The Coast Guard Patrol Commander may terminate the event, or the operation of any vessel participating in the event, at any time it is deemed necessary for the protection of life or property.

(3) Only event sponsor designated participants and official patrol vessels are allowed to enter the regulated area.

(4) Spectators are only allowed inside the regulated area if they remain within a designated spectator area. Spectators may contact the Coast Guard Patrol Commander to request permission to pass through the regulated area. If permission is granted, spectators must pass directly through the regulated area at safe speed and without loitering.

(d) Contact information. Questions about marine events should be addressed to the local Coast Guard Captain of the Port for the area in which the event is occurring. Contact information is listed below. For a description of the geographical area of each Coast Guard Sector - Captain of the Port zone, please see subpart 3.25 of this chapter.

(1) Coast Guard Sector Delaware Bay - Captain of the Port Zone, Philadelphia, Pennsylvania: (215) 271-4944.

(2) Coast Guard Sector Baltimore - Captain of the Port Zone, Baltimore, Maryland: (410) 576-2525.

(3) Coast Guard Sector Hampton Roads - Captain of the Port Zone, Norfolk, Virginia: (757) 483-8567.

(4) Coast Guard Sector North Carolina - Captain of the Port Zone North Carolina: (877) 229-0770 or (910) 772-2200.

(e) Application for marine events. The application requirements of § 100.15 of this part apply to all events listed in the Table to § 100.501. For information on applying for a marine event, contact the Captain of the Port

for the area in which the event will occur, at the phone numbers listed above.
